

Nissan Forklift Attachments

Nissan Forklift Attachments - Nissan takes immense delight in reaching overall customer satisfaction, when their client is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan lift trucks supply many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four independent manufacturing facilities that allow them to persistently adapt to their clients continually evolving requirements by offering a variety of modern ideas and designs.

The Nissan Lift truck North and South American base is situated in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing systems that reduce the global effect of their products and processes. These high values remind consumers that Nissan operates under the quality seal that their customers demand whilst being an environmentally responsive organization.

Nissan is assured that they will be able to address any client questions or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
