

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They enjoy providing products which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements along with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the workers within TREK and its many dealer members in both parts and in technical support will be accessible. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery running and ready day by day is top priority. The company's top of the line technology delivers dependable equipment that ultimately reduces your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
