

Fork Mounted Sweeper

Fork Mounted Sweeper - The lift truck mounted broom attachment can really make industrial sweeping tasks a lot easier. Meant for use on either wet or dry surfaces, this mounted broom accessory could squeegee water and push snow with no trouble. This attachment is frequently used so as to clean trash from parking lots, warehouses, construction sites, docks and practically anywhere it is needed. The forklift sweeper is a low maintenance accessory which utilizes quick-tite blade products to effortlessly mount to the lift truck.
